### **Formal Written Notice of Intent re: Talent Development ID**

I am writing to you regarding the above for the U14 & U16 squad's for season 2010/11. We have reviewed previous trial methods and decided to change our approach and communication with clubs and leagues within the north east area. Players can be nominated in response to this letter and/or a request for a Sunderland Girls Centre of Excellence Lead Coach to deliver a technical/tactical session with your squad. (Sessions delivered due to staff availability)

It is important for yourselves and especially potential players to be aware of the standard of playing of the squads. I would like to therefore invite you to an Exhibition Game on Wednesday 31<sup>st</sup> March the kick off time 7.30pm at Houghton Kepier School on 3G. I hope you take this opportunity to come to the game and experience the standard currently being played at U14/16 years.

I would like you to nominate a maximum of 3 players (including Goalkeepers) who are currently at your club and you deem to be that of a level with potential of international performance, there are several spaces available for talented players to fill the squads.

If you have any queries please do not hesitate to contact myself from any of the details below and complete forms and submit by Friday April 23<sup>rd</sup>

Yours sincerely,

*C Robinson*
